

Training Model: 4 Pillars of EM GURUKUL

Synchronous Learning

Pillar 1: Daily Reading

PG students will read 7-8 pages per day of Tintinalli's Comprehensive EM Guide. An assigned reading schedule is handed out to the PG students, with the intention of completing Tintinalli's from first to last page in 52 weeks. A complimentary RECORDED summary lecture of the assigned readings will be available at the end of each week.

Pillar 2: Question Solving

Every week, the resident will solve multiple choice questions which are structured on the assigned reading of the week. 2500+ MCQs in 52 weeks. Testing is the key to learning what you miss and what you remember.

Structured Education

Pillar 3: Listening

On every Monday, Wednesday, and Friday evening, there will be 1-hour long LIVE lectures which run round the year. The resident can attend these lectures till they graduate. There cover Tintinalli's in 145 lectures over 52 weeks.

Pillar 4: 24x7 Mentoring, Expert Guidance, & Problem Solving

Residents will have 24x7 access to Super Guru Mentors who will guide them on reading, thesis projects, solving queries, and exam preparation.
